### Puppy (3)

1<sup>st</sup> BP, Webb's New Angels Pretty in Pink. A beautiful puppy of just 6 months. Pretty head of good shape, square muzzle, dark eye and good mouth. Body just right for age with lovely bone and substance, straight front, good width and depth chest, good ribbing, level top and lovely rear angulation. Moved well out and back. Loved her overall balance, type and quality. Pleased to see her win WPG1 and delighted to watch win BPIS, congratulations.

2<sup>nd</sup> Potts' Bridgestone Jephtha Lake. W/B bitch of 8 months. Another lovely puppy with kind expression, very good eye and correct bite. Overall good body outline shape and balance although a little narrow throughout at the moment. Moved well.

3<sup>rd</sup> McCafferty's Newfangled Thingamajig.

### Graduate (3)

1<sup>st</sup> RBoB. Newton's Stelamah Quiang at Shlarra. Good proportioned head with kind expression, dark eye and correct mouth. Good reach of neck, good front and rear angulation, good bone and level topline. Presents an attractive outline when stacked, just needs to mature in body but he is only 16 months. Nice steady movement, good length of stride but just a little close behind.

2<sup>nd</sup> McCafferty's Dearchary Twist N'Shout. Nicely balanced bitch with good head shape and feminine expression. Good spring of rib and rear angulation. Moved well out and back when settled. Think she enjoyed her day!

3<sup>rd</sup> McCafferty's Mileoak Sister Act.
