

MARLBOROUGH CS May 5

It turned out to be quite a long day spent at the West Wilts Equestrian Centre, Holt, Wilts, where a good overall entry and quite a crowd of exhibitors gathered. Secretary, Mr Alan Carter appeared to have everything well organised & there was a convivial atmosphere throughout. Best in Show was a Saluki Tasia Moonshine

Over Dawnchase W. Sh CM, a handsome 4 yr black/cream male with a very superior attitude, impressed in outline, proportions and lady flowing movement.

Trying hard to keep up with him was a little black Pom, Soffies Dark Shadow (Imp Denmark), who I made RBIS. 7

had previously given him the top group.

Not a bit bothered by the "equestrian" surface he moved like clockwork, never breaking into a gallop. Two very different dogs but truly excellent performers who asked to be noticed, Chalders Ring Of Roses, a deer r/w Boxer bitch of 9 months, full of charm & Boxer mischief, was BPIS. Best veteran was a very young looking Papillon, Temelora Just Magic, quite outstanding & at 10 yrs old set showed & outmoved the opposition. This was a very good way to end the day, watching a veteran still enjoying himself hugely and putting everything into his moment of glory.
