

(4)
2½ yrs b/w bitch, pretty head, slightly longer cast than the puppy, good body & top line, clean & well presented, marked OK but just lost a bit of focus when posed. O (4,2): 1 Elms' Amantra Toma, 4 yrs b/w bitch, typical head, feminine outlook compact body showed quite well, good type, 2 wellhead's Merida Make My Day, 7½ yrs b/w bitch, carrying too much weight & not moving too well.

POMERANIANS - There were 7 Poms entered but only one turned up - I am very pleased that he did as he went on to win the toy group & RBIS! O (3,2) = 1 Orchard and White lock's Soffies Dark Shadow, so mths black male, I see imported from Denmark where some good Poms have come from.

Lovely attitude, went round the ring as fast as his little legs would take him, compact & short coupled, foxy face, dark intelligent eyes, harsh coat, high set tail, splendid body, good feet, showed non stop. PUGS - what some of the toy breeds lacked in numbers the Pugs, more than made up for. I really enjoyed judging the breed and their demeanor, corniced ways - you could never be ~~F(8,2)~~ depressed owning a Pug! VI BP & R BOB, Lihnett's Conquest Black to the future, one day left in puppy trip promising black boy - fit & well conditioned, made the most of himself, very focused on the job, good head, dark eyes, very good expression, firm body, well muscled quarters, tight,
