I loved the head, expression and tan markings of this feminine bitch. She was well angulated in front, well off for bone and substance, well up on pasterns with good strong arched feet. Deep through the chest and strong quarters, she moved out very well. BOB

Open D/B

1st Collier's Gardenstone Glamour Girl at Pepperbox JW

I liked her the moment she walked into the ring. Very balanced, with a pretty feminine head. She has super angulation fore and aft and is well off for bone. Standing and moving with a level topline and a free easy stride that covered the ground well, I was pleased to award her Best of Breed and see her win the Gundog Group; and later to hear she had achieved Best In Show.
