## **SALUKI**

PG: Absent

Open: 1<sup>st</sup> Fitzgerald & Steer's TASIA MOONSHINE OVER DWNCHASE JW ShCm This exquisite black/silver boy stood alone in his breed, but he made up for it in spades. Excelled in shoulder/upper arm placement and matching rear angulation. Deep chest with good tuck up, prominent hip bones and good fall away. Great furnishings. Strong loin. Keen in eye and bearing, floated round the ring. BOB Couldn't take my eyes of him in the Group ring and so completed my day with G1 Hound Group. The icing on the cake – he went on to impress Liz Cartledge and took BIS. Well done.
