

Marlborough and District Canine Society Open Show, Monday 5th May 2014.

What a superbly run show. My thanks to Alan Carter and his team for their hospitality.

I had an entry of 12 over 3 classes with 2 absentees making 10 in total.

Junior Dog or Bitch 3 1abs

1st. / Best Puppy Wells and Brown's Farthinghall's Penny Red at Metamorphic. Seven month Red Sable and White bitch. Super overall balance and construction. Just a little strong in head at the moment. Good placed ears, nice length of neck into clean shoulders. Level topline, finishing in a well set tail. Moved and showed with style. BP and 2nd Best Puppy in Group.
2nd Panspayon Xoe. 3rd Pinkmead Timothy Twirl.

Post Graduate 1st / BOS Ochards Powdermill Magic Touch at Panspayon. Tri Male. Much to like about this male. Just slightly heavier all through. Very well put together and the overall picture is pleasing. Well handled as usual from this Kennel.
2nd Panspayon Ur My Lucky Star 3rd Pinkmead New Years Eve.

Open

1st /BOB Wells and Brown's Bankhill Lord Of The Dance. Black and White 2 year old male. Yes he has his fault, don't they all, but he just shouts Papillon. He has the most exquisite head and when he gives it his all his balance and style is so pretty. I so could have taken him home with me. He has a balanced head with perfect markings, wonderful set ears and great furnishings, nice length of neck, shoulders just a tad upright, level topline and great jug tail, with an abundance of pluming. Moved with style and elegance. It was great to see him take GRP 2.
