### Gundog Group

This was a very good line up of gundogs. Absolutely balanced and my first choice was the cocker spaniel **Collier's Gardenstone Glamour Girl at Pepperbox JW**. Lovely to go over with well-laid shoulders, correct return of upper arm, straight front into well arched feet, and balanced with excellent quarters. She has strong hocks and straight back pastern which she used to advantage on the move; a real Glamour Girl. Very pleased to hear she went on to win BIS.

Second in the Group was the Flatcoated Retriever, **Millbank's Kvicksans Eye Of The Storm of Larksdown**. I particularly liked his head and dark expressive eye, a balanced dog nicely angulated fore and aft with strong bone and shown in good coat; moving very fluently. Reserve Best in Group.

### Gundog Puppy Group

First place, the Irish Setter **Prangle's Heathclare American Dollar**, headed the puppies for Best of Puppy Group. I really liked this young dog who is maturing well; lovely bone and body, well ribbed chest and nice couplings and excellent hind quarters. He moved out very well and I am sure he will have a bright future.

Second in the puppy group was the Golden Retriever **Hill's Tamniarn Forget Me Not Sandaula**. An 11 month old mid-gold bitch with a good show personality, particularly when moving. Pleasing head, good reach of neck into well-laid shoulders, level top-line complimented with a good bend of stifle and a very pleasing outline when standing.
