1. Haensel's Jontygray Midas Touch For Sherkarl JW

I liked the rich golden shading of this promising young girl presenting a lovely picture in profile. Her size looks good and she has an attractive head with correct eye shape and placement giving a sweet expression. She moved easily round the ring with good drive and extension.

1. Gruszka's Samphrey Sea Breeze RBOB

A 2yr old shaded sable and white bitch, having a beautifully balanced outline, complimented by just the right amount of coat. She is good for size, has a pleasing head and expression, and moved with reach and drive round the ring keeping a level topline. Pleased to award her RBOB, beaten by a top winning dog on the day.

2. Light - Jolex Another Hero For Wellobank

1. Paterson's Lorainian Campbell Clan BOB

An immaculately presented 4 yr old golden sable and white dog, having ideal size and substance with good construction. His head is nicely proportioned, and he has a well rounded muzzle and firm underjaw. He stands four square with straight front legs, flexible pasterns and neat feet. Excellent drive from a well angled rear produces smooth and efficient movement. A worthy winner of a quality open class.
